Tabletop/Servingware Finalists

FORTESSA, SPOON WALL CADDY

"Cool and unique," said one judge about the Spoon Wall Caddy from Fortessa. This appetizer display unit, made of gentle vertical curve of 18/10 stainless steel with a mirror finish, brings a sculptured approach to metalware design. The stand holds up to 39 spoons for serving tapas, sushi and other hors d'oeuvres. The caddy measures 22" W x 26" H and is supported by three sturdy tubular feet.
